Get Involved !

Lac Ste. Anne County, the Village of Alberta Beach, and the Summer Villages of Val Quentin and Sunset Point are creating an Intermunicipal Development Plan for adjacent lands within the County. This Plan will provide the high-level vision for the future of these lands, and the regulations needed to achieve that vision.

Public Consultation

All stakeholders, including citizens, land owners, business owners and community organisations are encouraged to actively participate in the creation of this crucial new planning document. Questionnaires are available from the Village Offices, the Lac Ste. Anne County Office, and will be available for download from County and Villages websites. In addition, a Public Open House will be held in early May where the project team will be available to answer any questions regarding the new plan.
