

## **Onoway Regional Medical Clinic Welcomes New Physician**

Onoway Regional Medical Clinic is pleased to welcome its newest physician, Dr. Kelli Burdek. Starting at the Clinic Monday, September 28, Dr. Burdek is a lifelong Albertan and a new addition to the Lac Ste. Anne community.

Dr. Burdek received her medical degree from the University of Calgary in 2014 and completed her family medicine residency via the University of Alberta. She is passionate about family medicine, preventative care and women's health.

Dr. Burdek has lived in Alberta her entire life and is excited to make Lac Ste. Anne County her home along with her husband and two dogs. She enjoys reading, outdoor adventures, gardening and always has something on her knitting needles.

### **Renovation Phase Begins**

In addition to Dr. Burdek's arrival, the renovation phase of the clinic's expansion is scheduled to begin Tuesday, September 29 with a target completion date of December 18, 2020. This work is being done to provide additional space for clients and clinic staff, and thus enhance the capacity of the clinic to service communities in the Lac Ste. Anne region.

Please join us in extending a warm welcome to Dr. Burdek and her family. The **County, the Town of Onoway, and the Summer Villages of Ross Haven, Val Quentin, Silver Sands and West Cove** applauds the twin milestones of a new physician and clinic renovation, and looks forward to the considerable social value they will bring to the region.
