### General Conditions for All Development Permits

1. Failure to conform to the conditions of a development permit will render the permit null and void.
2. Prior to construction or commencement of any development, the Owner/Applicant or contractor is responsible to obtain building, electric, plumbing, sewage, and gas permits, if required. Permits must be obtained from the Superior Safety Codes Inc. The Applicant is required to consult with the permit issuer to ensure that there are no conflicts between homeowner/contractor permits and the person(s) responsible for performing the actual work.
3. The Applicant shall be responsible for obtaining and complying with any required permits from federal, provincial, or other regulatory bodies. The Applicant shall also be responsible for complying with the condition of any easement, covenant, building scheme, or development agreement affecting the site.
4. All development shall be landscaped and graded in a manner that all surface run-off is either contained on-site, directed into an existing water body (i.e. a lake or stream) or public drainage system (i.e. a municipal

- ditch). All buildings must be completed with eaves which drain into the ditch at the front of the property.
5. The Applicant shall remove all garbage and waste at his/her own expense and keep the site in a neat and orderly manner.
  6. Any field work or construction undertaken prior to the effective date of the development permit is at the risk of the Owner(s)/Applicant(s).
  7. The Applicant must obtain Summer Village approval for all approaches required for the proposed development.
  8. Any changes, amendments, or additions to this development permit shall require a new development permit application, including but not limited to an expansion or intensification of the use.
  9. The proposed development shall be sited and conform to all building setbacks as shown on the submitted drawing, shall not be moved or enlarged except where authorized and conform to all building setbacks as required as per the Land Use Bylaw #218-08.
  10. Any and all arrears that may be owed by the Applicant to the Summer Village are to be paid in full.
  11. All improvements approved hereby must be completed within twelve (12) months of the effective date of the permit.

### **PERMIT NOTES**

1. The applicant shall comply with the Alberta Safety Codes Act by obtaining the necessary building, plumbing, electrical, gas and private sewage permits.
2. The applicant shall comply with the Alberta Fire Code.
