Val Quentin residents
can register their dogs by purchasing
Dog Tags
at

Alberta Beach Village Office
located at 4935 50 Ave, Alberta Beach.

Residents are welcome to visit the office during
regular business hours
Tuesday - Friday, 9 AM - 4 PM!

The cost of the license is \$20.00 per year for unaltered males or females and \$10.00 per year for neutered males or females.

These are lifetime tags and are not transferrable.
Even if a property owner already has a Dog License from another municipality where they live full-time, it's still suggested to get a local tag so we have current information on how to reach the owner while they are out in Val Quentin.

If dogs are registered and running at large, the Animal Services team will attempt to contact the owner in an effort to avoid taking the dog to the Animal Services Centre.

For additional information, please email: cao@valquentin.ca
