**Re: Development Permit Application No. 24DP04-35
Plan 4890 HW, Block 1, Lot 4 : 6011 – 52nd Avenue (the "Lands")
R – Residential : Summer Village of Val Quentin**

APPROVAL OF DEVELOPMENT PERMIT

You are hereby notified that your application for a development permit with regard to the following:

CONSTRUCTION OF AN ADDITION TO AN EXISTING SINGLE DETACHED DWELLING (ENCLOSED DECK = 10' x 14' = 13.0 SQ. M.).

Has been **APPROVED** subject to the following conditions:

- 1- All municipal taxes must be paid.
- 2- That the applicant shall display for no less than twenty-one (21) days after the permit is issued, in a conspicuous place on the site or on streets abutting the site, the enclosed notice.
- 3- The applicants provide a certified copy of plan of subdivision to determine all easements and restrictive covenants on the parcel.
- 4- The applicants shall obtain and comply with the requirements, where applicable, from the appropriate authority, permits relating to demolition, building, electricity, plumbing and drainage, and all other permits required in connection with the proposed development. Copies of all permits shall be submitted to the Summer Village of Val Quentin for review.
- 5- The applicants are responsible for designing and constructing a building foundation drainage system adequate for the existing soil conditions.
- 6- The applicants are responsible for determining if there are any special considerations required for building foundation construction.
- 7- Positive grading must be provided to ensure drainage. A minimum gradient of two percent (and greater if possible) is recommended.
- 8- Arrangements, which are satisfactory to the Development Authority, must be in place to provide sanitary facilities for the contractors working on the site.
- 9- The applicants shall be financially responsible during construction for any damage by the applicant, his servants, his suppliers, agents or contractors, to any public or private property.

10- The applicants shall prevent excess soil or debris from being spilled on public streets and lanes; and shall not place soil or any other material on adjacent properties without permission in writing from adjacent property owners.

11- That all improvements shall be completed within twelve (12) months of the effective date of the permit.

12- Development shall conform to the following site requirements:

- **Rear Yard Setback shall be a minimum of 6.1 metres;**
- **Front Yard Setback shall be a minimum of 8.0 metres; and**
- **Side Yard Setback shall be a minimum of 1.5 metres or greater distance as required under the Alberta Safety Codes Act.**

Note: Please be reminded that where walls are located within 2.4 metres of the property line they shall be constructed as a fire separation of not less than 45 minutes. (Alberta Fire Code - Article 9.10.15.5).

Note: Development shall also conform to the Alberta Electrical and Communication Utility Code. A copy of TABLE 9 – Minimum Design Clearances From Wires and Conductors not Attached to Buildings, Signs and Similar Plants is attached to the permit for your information.

13- The site and improvements thereon shall be maintained in a clean and tidy condition during construction, free from rubbish and debris. Receptacles for the purpose of disposing of rubbish and debris shall be provided to prevent scatter of debris and rubbish.

14- Arrangements, which are satisfactory to the Development Authority, must be in place to provide sanitary facilities for the contractors working on the site.

15- All developments shall be landscaped and graded in a manner that all surface run-off is either contained on-site, directed into an existing water body (i.e. a lake or stream) or public drainage system (i.e. a municipal ditch). All buildings must be completed with eaves which drain into the Municipal stormwater system.

16- No person shall keep or permit to be kept in any part of a yard any excavation, storage or piling of materials required during the construction stage unless all necessary safety measures are undertaken. The owner of such materials or excavation must assume full responsibility to ensure the situation does not prevail any longer than reasonably necessary to complete a particular stage of construction.
